

Motivational Letter Guidelines

Formal requirements:

- length: no longer than 2 pages;
- font – Times New Roman, font size – 12 pt, line spacing – 1.5p.;
- language: Lithuanian or English;
- the motivational letter must be coherent, without duplication of the research project and/or curriculum vitae (CV).

Guidelines:

- What motivates you to pursue doctoral degree?
- Why you believe that your preparation for doctoral studies (both in the relevant field of study and in general) is sufficient (reasons: from academic and/or professional competencies to personal qualities)?
- How do you plan to organize your doctoral studies (time planning, combining doctoral studies with other activities, etc.)?
- What are your long-term academic and/or professional goals and how do you perceive the significance of doctoral studies for the implementation of these goals?
